Submission Deadline: **February 28, 2021**

In 2012, the Florida Attractions Association (FAA) and its Board of Directors announced the creation of the Florida Attractions Scholarship Foundation (FASF), a 501(c)(3) not-for-profit organization, as a way to provide financial assistance to post-secondary students studying in hospitality-related fields with the purpose of helping to secure the future of the tourism workforce in Florida's #1 industry.

Due to the ongoing generosity of FAA member businesses, FASF and its Board of Directors are proud to award **up to six - \$2,000 scholarships** in 2021. In addition, recipients will be invited to attend a Florida Attractions Association Annual Conference.
