Submission Deadline: February 28, 2023

In 2012, the Florida Attractions Association (FAA) announced the creation of the Florida Attractions Scholarship Foundation (FASF). As a result of the generous support of our members, the FASF has awarded \$62,750 in scholarships to 72 recipients. The Florida Attractions Scholarship Foundation (FASF), a 501(c)(3) not-for-profit organization, awards financial support to post-secondary students studying in a hospitality-related field. Thanks to the generosity of our Florida Attractions Association members, your Foundation will award several \$2,000 scholarships in 2023. Applications will be accepted during the month of February 2023.
